

FACT SHEET

DESCRIPTION: Girls on the Run® Las Vegas is a 501(c)3 non-profit organization dedicated to creating a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams.

Girls on the Run inspires girls to recognize their inner strength and celebrate what makes them one of a kind. Trained coaches lead small teams through a research-based curriculum which includes dynamic discussions, activities and running games. Over the course of the ten-week program, girls in 3rd through 8th grade develop essential skills to help them navigate their worlds and establish a lifetime appreciation for health and fitness. The program culminates with girls positively impacting their communities through a service project and being physically and emotionally prepared to complete a celebratory 5K event.

MISSION: To inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running.
