FACT SHEET

ABOUT SPEEDVEGAS MOTORSPORTS PARK: SPEEDVEGAS Motorsports Park is the world's most exhilarating destination for motorsports enthusiasts featuring supercars, race trucks and go-karts. Now offering Exotics Racing—the world's largest supercar driving experience—as well as Vegas Superkarts go-karts and Vegas Off-Road Baja race trucks, guests can experience all the action at one convenient location on Las Vegas Boulevard South, just 10 minutes from the world-famous "Welcome to Las Vegas" sign (Exit 25 on Interstate 15).

EXOTICS RACING: Exotics Racing is the world's largest supercar driving experience featuring a 1.3-mile track designed by professional drivers to highlight the vehicles' most acclaimed performance capabilities. The track features 10 turns, 2,000-foot straightaway and the latest high-tech safety barriers. An award-winning industry leader since 2009, Exotics Racing features the largest fleet of supercars with 40 hand-picked options to drive and/or ride, including models by Ferrari, Lamborghini, McLaren, Porsche, Aston Martin, Audi and Mercedes.

VEGAS SUPERKARTS: Vegas Superkarts is the city's most renowned go-kart attraction and the first to offer a true racing experience where guests drive up to 45 MPH. Las Vegas locals, families and visitors can drive the fleet of 4-stroke, gas-powered Sodikarts on the fast-acceleration straightaway and take in 10 turns along the 1,600-foot-long racetrack.

VEGAS OFF-ROAD: Vegas Off-Road features the only off-road track experience in Las Vegas. Visitors can pilot specialized, custom-built high-performance Baja race trucks designed with enormous travel suspension to absorb large bumps, dips and jumps on the one-mile dirt track. Drivers can defy gravity while traveling at high speeds and soaring up to 10 feet in the air on the 60-foot tabletop jumps. Guests who want to compare their racing line with a pro, or who simply don't want to drive, can also experience the full adrenaline potential of this thrilling experience as the passenger alongside a pro racer.
