

FACT SHEET

ABOUT FLY LINQ:	<p>Fly LINQ is the first and only zipline on the Las Vegas Strip.</p> <p>Developed by the team behind The High Roller, the tallest observation wheel in North America, Fly LINQ features 10 side-by-side zip lines, capable of simultaneously launching all riders while seated forward.</p>
WHERE:	<p>The LINQ Promenade, the open-air entertainment, experience, retail and dining district situated at the heart of the Las Vegas Strip.</p>
ABOUT THE FLIGHT:	<p>Guests begin their ride by taking an elevator designed to provide Strip views at The LINQ to the top of the 114-foot-tall launch tower above the Promenade. After enjoying spectacular views of the Strip during the ascent, guests arrive on the launch deck, where gear-fitting and a photo opportunity takes place.</p> <p>From the launch tower, the ride continues eastward, traveling 1,121 feet through The LINQ Promenade to the landing tower. Riders disembark near the base of The High Roller. To remember their exhilarating experiences, guests can opt to purchase professional photos—either individually or as a group—dressed in full flight gear as they soar through the air.</p>
ABOUT THE FLIGHT:	<p>Fly LINQ features best-in-class technology developed by global leaders in zipline construction. It features two automated gear retrieval lines back to the launch tower to keep queues moving quickly. In addition, it also has an innovative ride control system ensuring each deck and rider line is ready before the flight can begin.</p>
NUMBER OF LINES:	10 side-by-side ziplines
LENGTH OF LINE:	Each zipline is 1,121 feet long
LAUNCH HEIGHT:	114 feet
LANDING HEIGHT:	54 feet
AVERAGE SPEED:	35 MPH
ACTUAL FLIGHT TIME:	35 to 45 seconds
