### **ABOUT THE MAGICIANS ROOM:**

The Magicians Room is a first-of-its-kind magic speakeasy now open at The LINQ Promenade in Las Vegas. Designed to captivate families by day and adults-only audiences by night, the venue features a nostalgic crane arcade concealing a hidden entrance to an intimate showroom for live magical performances. Outside, guests are greeted by a charismatic street magician who lets them know they've found the right place—and reveals how to access the hidden entrance leading inside. Once through the secret entrance, visitors should have their cameras ready as they journey through the venue, discovering enchanting photo opportunities at every turn. Inside the showroom, audiences experience top-tier magic acts enhanced by cutting-edge technology. Operated by Pompey Entertainment, The Magicians Room also includes a full-service themed bar, branded merchandise and VIP event offerings.
